ST. MARY'S IS PROUD TO ANNOUNCE THE HIRING OF RUSSELL CROTEAU AS THE NEW HEAD FOOTBALL COACH

Excitement and anticipation surround the football program at St Mary's High School with the recent hiring of new head football Russell Croteau. The opportunity to build the program back up to its recent MIAA Championship level is one that Coach Croteau could not pass up. His passion, love for the game and ability to work with and improve student athletes will be the building blocks of his program as he works to continue the proud history of Saints football.

Coach Croteau grew up in Bay City, Michigan, playing wide receiver at Bay City Central High School and defensive back at Albion College. In 2010 he completed his fourth years as a high school football coach at Bladensburg High School while having previous stints at Oxon Hill and Cambridge South-Dorchester High.

Coach Croteau has previously coached wide receivers, linebackers, and quarterbacks prior to coaching running backs during the 2010 season. After graduating from American University in Washington D.C. with a degree in political science he went onto law school at Hofstra University before going to Bladensburg High in 2007 where he teaches U.S. Government as well as World History.
